DEDICATION

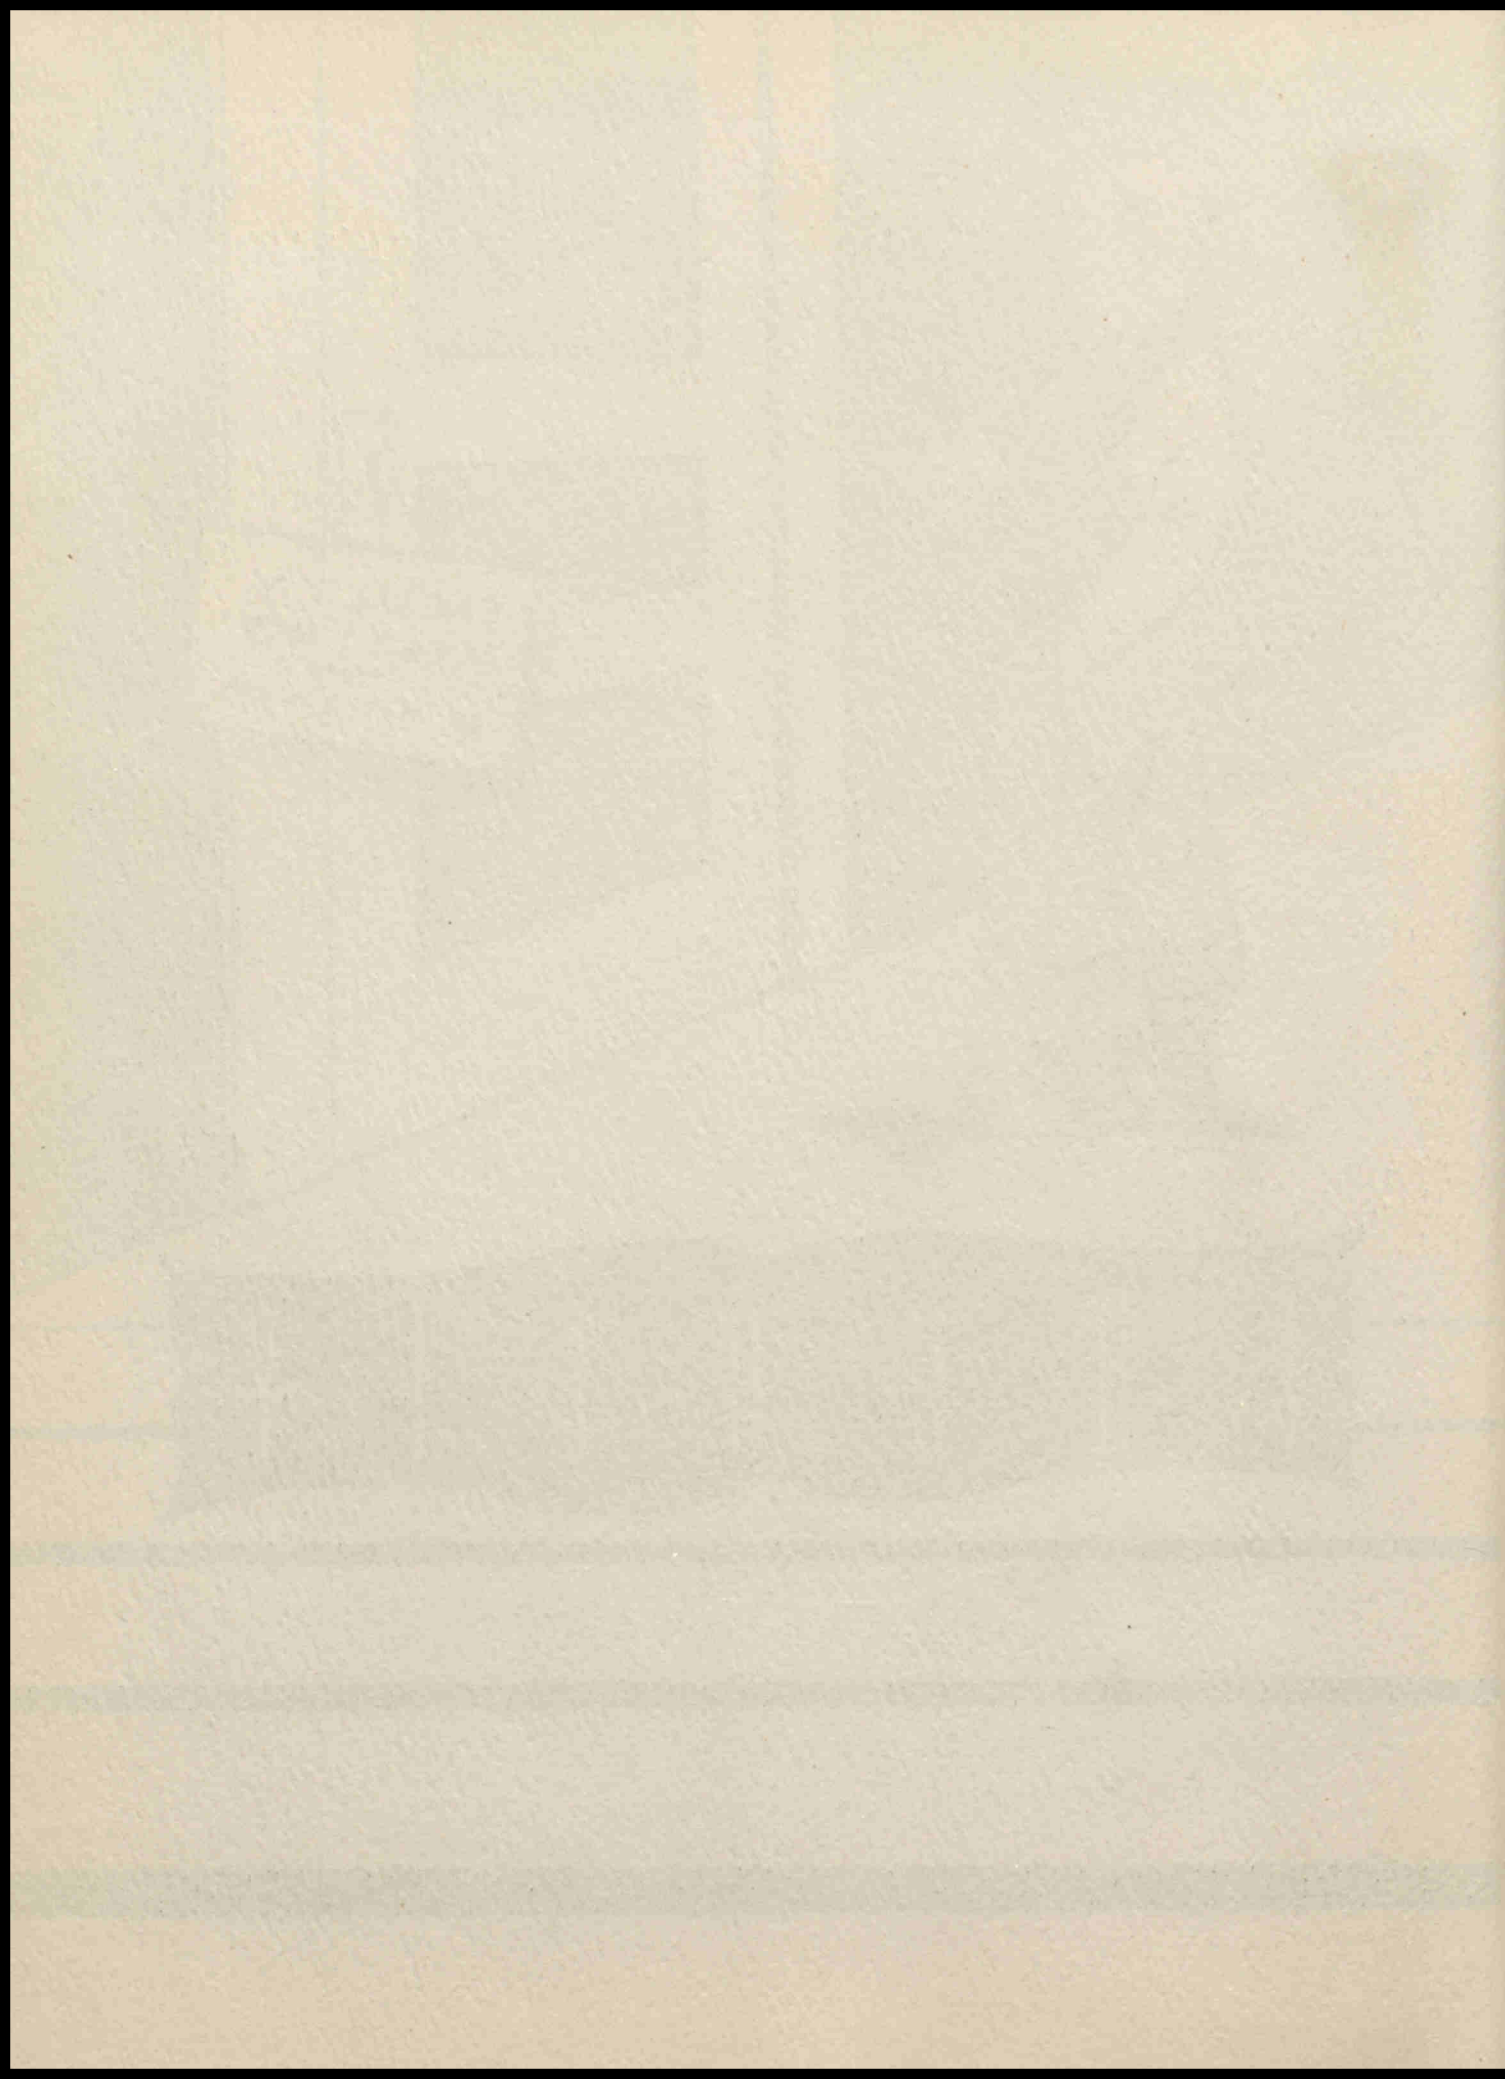

We, the Senior Class of DeLand Township High School of the year 1948, do hereby dedicate this our year book, to Mr. Maurice Clapper. You represent to us that sport, of all sports, basketball, as well as all those characteristics so necessary for a good coach. In our eyes you are more than a coach-----you are a true gentleman. We only hope, that each of us may take away from D. T. H. S. enough of your teaching to keep us fair in our judgement of all opponents, determined to win, undaunted by defeat, and diligent even in opposition or great odds.

CLASS HISTORY

How well the memory of that day-August 28, 1944-lingers in our minds! Through the arch of DeLand High School we, the Freshmen, wandered twenty strong.

In our class were represented many different schools. DeLand Grad gave us June Anderson, Karl Borton, Grace Buchanan, Donald Corder, Joanne Furtney, Loveta Jasper, Lenville Keeney, Doris Lane, Patsy Maden, Dorothy Page, and Gladys Stephens. Three girls, Joyce Francisco, Kathleen Meyer, and Joan Lubbers, came from the Kentucky School. Olan Floyd came from the Champion School, Owen Hunter from Mansfield, Linden Robinson from Harmony School; Eddie Norfleet from Farmer City, Jean Edwards from the Wisegaver School, Marie Sebens and Ella Mae Beasley.

Miss Noecher was our class advisor until she left to be married; then Mr. Jasper took over. Initiation followed quickly; and we were soon full-fledged Freshies. Joanne Furtney was elected president. The most outstanding event of the year was a sleigh ride to Kathleen's home, where the evening was spent in games. By the close of the year we considered ourselves members of the band of brilliant high school students. Several of the girls were in band and all the boys were out for athletics.

The opening of our Sophomore year found all of us back with a few extra members. Marlon White decided that he liked DeLand better than Farmer City; Mary and Ruth White (no relation to Marlon) also came. During this year Loveta Jasper was our president and our advisor Mrs. Scott. At Halloween, we had a party at the Methodist Church at which several of the students acted out a pantomime. Mary and Ruth White moved away the last semester. Gladys Stephens couldn't decide if she wanted to go to Weldon or DeLand, but at last decided on DeLand.

As we returned for our Junior year we were minus a few students and had acquired Tillie Menely. Donald Corder decided he would like the Navy better and enlisted. June Anderson had moved to Mount Zion, and Gladys went over to Weldon. Ella Mae Beasley, Marie Sebens and Owen Hunter decided to quit school altogether. At the end of the first semester Patsy Maden and Joyce Francisco left our ranks leaving us fifteen. Mrs. Gantz was our class advisor and Doris Lane was elected president. The class gave a play "Spooks and Spasms" under the direction of Elizabeth Cathcart. In the middle of the year we received our class rings. The main event of the year was the Junior and Senior Banquet which carried out a Dutch Garden Theme.

At last our Senior year was here: and all of us present and accounted for except Tillie who dropped out. Linden Robinson was elected president and Mr. Clapper our advisor. The girls are well represented in band, chorus, and F. H. A., and all athletics. The class play, Junior-Senior Banquet, commencement and Baccalaurate are big events of the year yet to come. This we have decided is our busiest year and one we will all remember.

This is our class history to date. All of us hope to improve our school and to succeed in later life, and the memories of our happy high school days will always be with us.

SENIOR CLASS WILL

The Senior Class has felt for sometime that its demise was near; we have felt that school was beginning to disagree with us and that the members of the faculty have conspired to accomplish the death of the most astoundingly brilliant class the walls of DeLand High and the teachers there of however frowned upon. The bitter dose of lessons were taken with daily regularity and has hastened rather than prolonged our class demise, and we know with sorrowful certainty that the hour of our departure is near at hand. Therefore being so soon to pass from these scenes of educational activity and being in full possession of alert minds and memories that put the most extensive encyclopedia to shame and having faculties keenly sharpened by many contests with flighty instruments, we would publish to you upon this funeral occasion, the last will and testament of the Senior Class of 1948.

To the faculty, we leave our heartfelt sympathy for the loss of such dignified Seniors.

To the Freshmen, we leave some of the beams of our radiant faces so there will be brightness in the school.

To the vivacious and exuberant Sophomores we leave the right to prey upon the Freshmen out of season and without reason, to unceasingly torture them with the liabilities thereof.

To the Junior Class, we do hereby give and bequeath our quiet dignified ways, our good looks, our stature, our pulls with the various teachers, and also our profound knowledge.

To the teachers:

To Mrs. Simer, we will some mouse traps to catch mice in the Home Economics room.

To Miss Matson, we will a bottle of car polish to keep her car shining.

To Mrs. Van Metre, all of our love for Chaucer and Shakespeare. Also a box of pencils to give out to the students when they enter her class in order that each student may have a pencil to write with.

To Miss Olson, an album of the latest Roy Acuff records. We hope she enjoys these very much.

To Mr. Clapper, we will the best of health always to him.

To Mr. Harper, we will a box of ping pong balls to take the place of all those that he has broken.

To Mr. Wilson the principal, we will the unfailing good humor of the entire class; we are certain he will need this in dealing with the Seniors who succeed us.

To Mr. Merry, we will a special room to give his students music lessons in.

To Johnnie Adams, our thanks for his readiness in picking up our dust, dirt, and paper wads.

To the School Library, we leave the collection of volumes setting forth the charms, the escapades, the achievements, and the startling knowledge gleaned from our examination papers. These virtues will be written by the first author who is offered a good price for doing so.

We do hereby make the following personal bequeaths:

Loveta Jasper and Kathleen Meyer will their love for Latin Class to Evelyn Wine.

Linden Robinson leaves his curly hair to Lynn Cozad.

Joanne Furtney leaves her seat in orchestra to Marilyn Cozad.

Jean Edwards leaves her ability to play basketball to Mary Ellen Sprague.

Karl Borton leaves his height to Marguerite Crisman.

Doris Lane wills her "bangs" to Shirley Ann Trigg.

Dorothy Page leaves her temper to Marilyn Cozad.

Eddie Norfleet wills his hillbilly songs to Joyce Francisco.

Joan Lubbers leaves her singing ability to Patsy Maden.

Marlon White leaves his love for jitterbugging to Charles Thompson.

Joanne Furtney wills her ability to get to school early to Shirley Anne Trigg.

PROPHECY

It's a warm May day, and I am sitting in the shade of one of the birch trees waiting for the assembly bell to ring. It seems impossible that in a few days the present Seniors of D. T. H. S. will be leaving to never return as fellow students. It will seem odd to walk down the halls and not have to get out of the way of Karl and Eddie boxing on the way to class. Um-----it's nice here. I'm sleepy. No more of Fronnie's expert typing advice.

What's this-----what a huge gym, and what a game!! Quite a crowd has turned out to see the former Illinois stars Ed Norfleet and Olan Floyd make their professional debut with the Chicago Stage. They had teamed together to make the Illini the undisputed champions of the Big Nine for two years. Olan, a three year letter winner, was joined by Norfleet transferring from Northwestern in his Junior year. I saw Olan and Ed scuffling around with a big blond before the game. Yes, Karl Borton is here to see his two friends and as usual he isn't alone----it's still "Karl and Loveta." Karl is a successful engineer and Loveta has completed one year as Home Ec. and Physical Ed. instructor at a Chicago High School. They were recently married and plan to live in Virginia.

Among the most interested fans I saw Artitis Foster and Kathleen Meyer, although it is now Mr. and Mrs. She is said to be a most radical "Cub" fan now---and why not---with Aritis one of their star pitchers. Between games she continues study of her music.

During the impressive pre-game ceremonies Joan Lubbers sang "The Star Spangled Banner." She is swiftly fulfilling her ambition and is becoming one of the top singers. It is reported that her agent's interest is not strictly business.

Representing the Navy at the game is Lenville Keeney, accompanied by his wife, the former Alice Thompson. He has only a short leave and Alice flew to New York to spend it with him. He will receive his discharge soon and return to the home Alice has kept waiting.

At half-time in the lobby I see Marlon White, owner of a large ranch in Texas. He is now prominent in the oil business and here to complete important transactions. Alone? Oh no---at least that seems to be the opinion of the very beautiful blonde at his side.

The game is over. The Stags are victorious and everyone is excited over the excellent play of Olan and Ed. While congratulating the fellows they suggest that since so many of their friends are together we should make a party of it and go to Paradise Club for dinner. An addition is made as we see Doris Lane and a very handsome young man. Doris is now a prominent author. She specializes in short stories but has written one best seller. I guess she just couldn't say "no" to her publisher as she introduces him as her husband.

Doris reports having seen Mr. and Mrs. Linden Robinson, Mrs. Robinson the former Joanne Furtney, so we look them up before reaching the club. Linden is a gentlemen farmer and he and Joanne spend a great deal of time traveling. Joanne was determined to be a career girl after graduation from high school and she was--for a year, after which she said "yes" to Linden.

We have just finished a wonderful dinner in the lovely club when the head waiter tells us to please come with him. As none of us likes to do dishes we are a little worried but everything turns out fine when we find he is taking us to the owner's office. Yes, the owner is

PROPHECY (Continued)

Dorothy Page. She came to New York shortly after graduation from D. T. H. S. and worked as a receptionist until her Purchase of the club. On her desk is a picture-----a very nice one. Yes, it is her fiancée.

Dorothy tells us Grace Buchanan also lives in New York. She plays first string bass fiddle in the New York Symphony Orchestra. Dorothy has some of their records and plays for us. They are very beautiful. She said Grace will send us complimentary tickets to a concert.

While listening to the music I picked up a magazine and glancing through it, saw some pictures of the Bloomer Girls' Baseball Team, the short stop looks familiar. Well, of course it is Jean Edwards. In the accompanying story it informs us that Jean is the star of the team, and Jean looks wonderful. Could it be a wolfish gleam we see in her trainer's eye??

Dorothy is changing the record. My what funny music-----it isn't music--it's the assembly bell ringing. Guess I was asleep. I had better hurry, I just have time to get to class.

JUNIOR CLASS

At their opening meeting in the fall, the Junior class of 47-48 chose Bill Golden as their leader for the year. Marilyn Cozad as vice-president and Shirley Trigg as Secretary-Treasurer were also elected at this time. Evelyn Wine and Wendell Foster were selected to represent the class in the Student Council. Mrs. Simer and Mr. Harper were appointed to be the class sponsors.

On October 24, 1947, the Juniors successfully represented the class play, "Full of Youth". The play was directed by Miss Van Metre, assisted by Miss Matson. The class discovered that producing a play required lots of hard work but was also an interesting experience. The cast included Mrs. Baynes, Marilyn Cozad--Sonny Baynes, Charles Thompson--Linda Baynes, Alice Thompson---Valerie Vance, Joyce Francisco--Miss Patch, Evelyn Wine--Abbie Nightengale, Marguerite Chrisman---Ira Grubb, Lynn Cozad--Fay Goodrich, Patsy Maden--Mrs. Smythe, Joan Taylor--Corliss Smythe, Mary Ellen Sprague--Jerry Gordon, Bill Golden--Junior Gordon, Buddy Kallembach--Dolly Gordon, Shirley Trigg--Barnum Gordon, Wendell Foster. The stage crew consisted of Buddy Kallembach, Elwood Williams and Bob Rhodes.

The orchestra under the direction of Mr. Merry gave a brief concert before the play. At the end of the first act the boys' chorus made their first appearance of the year, under the able direction of Miss Olson. Between the second and third acts Joyce Francisco entertained with two solos; also at this time Bill Golden, representing the class, presented Miss Van Metre with a dozen red roses, and Miss Matson with a corsage, in appreciation of their work in presenting the play. We cleared about \$80 on this project.

The class also had a magazine drive in the Fall. This project also carried on by many other schools in the vicinity, is sponsored by the Curtiss Publishing Co. The class made approximately \$35 with this. Several members of the class received prizes for selling the most magazines. The class was divided into two groups who competed against each other. Alice Thompson and Patsy Maden were the group leaders and Mary Ellen Sprague was selected as business manager.

In order to have a better prom in the spring, members of the class not participating in athletics, have been selling cokes and candy at the home basketball games. We have made about \$150 with this project.

May 7 is a date which any Junior can identify. That is the date of our eagerly awaited Junior-Senior prom. From all our various money-making schemes the class has collected \$260. After reading many letters from different orchestra leaders, the class chose Ted Dickerson and his 11 piece orchestra from Decatur to play for the Spring banquet. Several different decoration themes are being discussed but no definite theme has been decided upon to date.

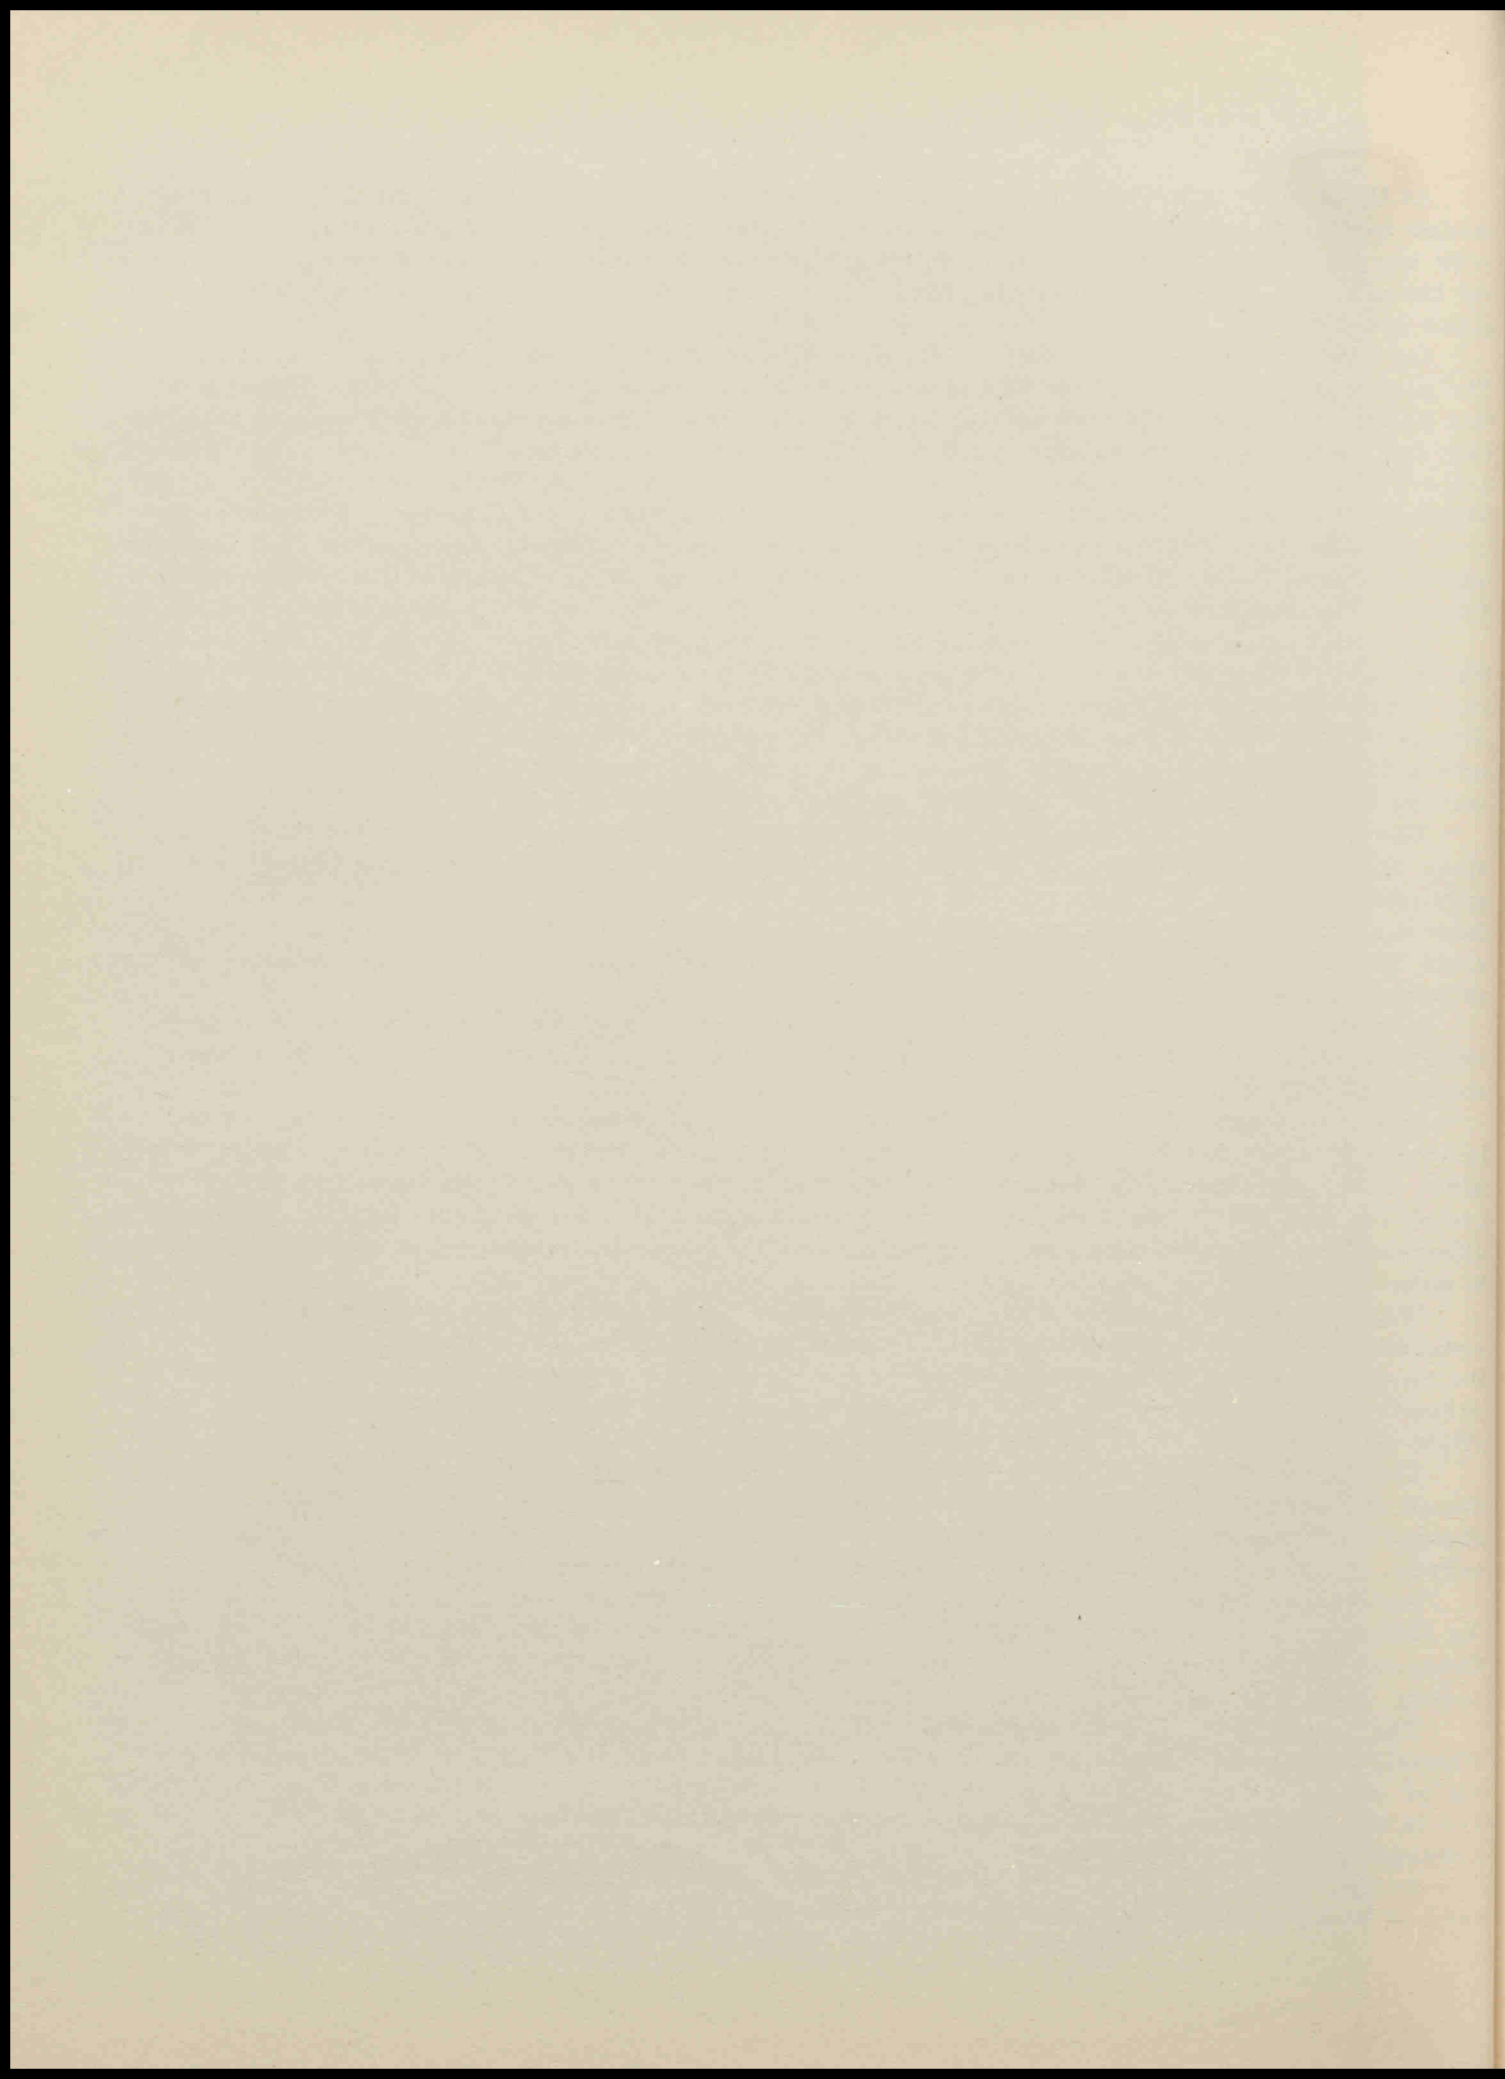

When the representative from the Herff-Jones Co. of Indianapolis was here 13 Juniors ordered rings and several of the girls ordered necklaces to match. The long awaited day when the rings came was a joyous one. Most of the rings are two-tone gold with built-up sides to prevent wear. If you want a close up view any Junior will be glad to show off his ring. You might not find every class member wearing his own ring though.

The Junior Class was host to the rest of the school at a party following the Christmas theme in December. The evening was spent playing games and dancing. Mr. Wilson also showed an interesting movie on basketball. Refreshments of popcorn, coke and barbeques were served. The party adjourned with everyone declaring an evening of fun well spent.

Several members of our class accompanied Miss Van Metre to Urbana where they attended the Shakespearean farce "Taming of the Shrew", presented by the Illini Theater Guildmembers. Everyone who made the trip reported to have had an enjoyable time and the play well worth seeing.

The Junior class is well represented in most of the activities of DTHS. Three of our boys, Wendell Foster, Bill Golden, and Charles Thompson are on the first ten of the basketball squad. All of our boys are members of FFA and three are in Boys' Chorus. Most of the Junior girls are in Girls' Chorus, two in orchestra and six class members are in the Band--and on an average the class grades are not too bad.

So you see this jolly class of 14 Juniors are all pretty busy people, who are looking forward to being dignified Seniors this time next year.

SOPHOMORE NEWS

After a summer's vacation the sophomores came back to school to spend the next nine months in hard labor. To start the year off right the class officers were elected. The results were as follows: President--Elwood Williams; Vice President---Bob Kallembach; Secretary and Treasurer--Eudean Norfleet; Class reporter--Mary Fahrkopf and Student Council--Peggy Corder and Carl Shepherd. Miss Van Metre is our class advisor.

The class was sorry to see Jerry Harris leave us. He has been a member of our class since the eighth grade of grade school. He moved to California and we all hope he had a good time there.

The sophomores gave a Halloween party for the entire school. The gymnasium was decorated with typical Halloween decorations. Everyone played games for awhile and spent the remainder of the evening dancing. Dainty refreshments were served. Everyone had a good time.

The sophomores are proud to have one of our members (Bob Kallembach) on the first team of the basketball squad. Some of the others are doing all right, too.

For their first time to sew some of the Home Ec. Girls turned out with some fine looking white aprons. These were used in the next project, which was cooking. First we baked and then started on menus and luncheons.

CLASS OF '51

On September 2, 15 green Freshies made their debut into High School. Today there are but thirteen. Luther Snodgrass quit school and Johnny Green moved away the first semester.

The first two weeks of school we were initiated. It was a common sight to see the girls running all over the building with their dresses on wrong side-out and paper towel hair ribbons in their hair; the boys with neckties on and their pant legs rolled to their knees. Some of the characters represented at the initiation party were babies, old women, and even Tarzan. We all had fun in spite of being pushed around all evening.

We didn't have much trouble finding our way around the building after the first couple weeks.

All of the boys in our class went out for basketball. Robert Kirkland, (Meatball) is manager of the basketball team. Max Parrish, Rex Kallembach and Bobby Taylor are the ones out of our class seem the most on the floor.

The girls are well represented in F. H. A., and Girls' Chorus. One of the girls takes part in the band and one is a cheerleader.

Miss Matson is our class advisor. Our officers for the year are: President--June Golden, Vice President--Georgia Crisman, Secretary and Treasurer--John Sparks, and Class Reporter--JoAnne Johnson.

We have had two parties this year. The first one was held on Oct. 1. We played games and danced most of the evening. Refreshments of ham salad, sandwiches, cokes and cupcakes were served. The next party was held on Feb. 11. For something unusual, a portion of the evening was spent in doing the Virginia Reel. Refreshments of Ham Sandwiches, Cokes and Candy bars were served.

BAND

The DTHS band has 17 members this year. They are: clarinets-Evelyn Wine, Shirley Trigg, Peggy Corder, and Joanne Johnson; altos-Dorothy Page and Robert Kirkland; trombones-Joanne Furtney, Loveta Jasper, and Marilyn Cozad; cornet-Kathleen Meyer; saxophone-Mary Farhnkopf; baritone-Joan Taylor; basses-Grace Buchanan, John Sparks, Earl Francisco; cymbals-Jean Edwards, and bass drum-Joyce Francisco.

For the past few years, the band has played at the home basketball games. This year we played at a total of 10 games.

Most of us went to the Piatt County Music Festival held at Monticello. We took part in the rehearsals, clinic, and evening concert.

The band played for Senior Commencement Exercises May 28. Some of us went to Weldon May 26 to help them out for their Commencement and some of their members helped us on ours.

On Memorial Day the DeLand and Weldon bands combined and played at Weldon and DeLand Cemetery.

We'll miss the 6 seniors who graduate this year, but we hope to get lots of new 7th, 8th, and freshmen who will be interested in band.

ORCHESTRA

The DTHS orchestra started the 1947-48 year with 6 members: piano-Mary Fahrnkoph, bass violin-Grace Buchanan, clarinets-Shirley Trigg and Evelyn Wine, cornet-Kathleen Meyer, trombone-JoAnne Furtney.

The first activity for the orchestra was the Junior Class Play-"Full of youth." We provided music before the play.

All the orchestra members attended the Music Festival held at Monticello and I'm sure we all learned as well as had some very good experience playing in public.

On April 23, the Seniors had their play and we played for that.

Three of our members were seniors and did their last playing in the orchestra at their own Baccalaureate service in May. These seniors were: Grace Buchanan, Joanne Furtney, and Kathleen Meyer.

BOYS' CHORUS

This is our second year for Boys' Chorus, in D. T. H. S. in some time. Miss Olson has taken the place of Miss Catheart and has done a splendid job.

Our first appearance this year was at the Junior Play, at this time we sang "Fericho". Our second appearance was in the Mixed Chorus made up of all the schools in the county, in a Music Festival at Monticello on December 5th. Later December 16th, we took part in a Christmas Festival given by the Mixed Chorus at D. T. H. S. The boys are now working on some songs, which they plan to sing early in the spring.

This year we have taken vocal lessons and have learned to sing solos. Buddy Kallembach has sung several solos. On December 14th. he sang "The Holy City" at the M. E. Church. Later December 16th, he sang "White Christmas" at the Music Festival at M. T. H. S. He will also sing some special numbers later in the spring.

We also wish to thank the public for the interest they have shown in our work and hope they have enjoyed it.

And to Kathleen Meyers we give our vote of thanks for being so faithful in playing and accompanying us at each practice and at all appearances.

The boys sincerely hope that Miss Olson has enjoyed working with us as much as we have enjoyed working under her direction.

Buddy Kallembach

GIRLS' CHORUS

This is our third year for Girls' Chorus. Miss Olson has charge of it and is doing a very fine job.

So far this year we have made two public appearances. The first one was at the Music Festival at Monticello on December 5th. Later on December 16, we took part in a Christmas program given by the Mixed Chorus at D. T. H. S.

Vocal lessons have been offered to us this year. Many of the girls are taking them and can sing very well. Joyce, Alice, Evelyn, Jean, and Mary Ellen sung solos at our Christmas Program. Marilyn and Joyce sang a very lovely duet entitled "The Birthday of a King." Joyce also sang several songs at the Junior Play.

Another new feature added is our sextette composed of Joyce F., Evelyn W., Joan T., Jean E., Loveta J., and Marilyn C.

There are always two people you can really count on to be at appearances or practice--Miss Olson, and Kathleen. We would like to express our thanks to both of them for being so helpful and faithful.

MIXED CHORUS

Mixed Chorus is composed of the Boys' Chorus and Girls' Chorus, under the direction of Miss Olson. The activities have already been mentioned.

F. F. A.

THE F. F. A. EMBLEM

The national emblem of Future Farmers of America is significant and meaningful in every detail. Used by members in all recognized units of the organization, it is made of five symbols: the owl, the plow, and the rising sun, within the cross section of an ear of corn which is surmounted by the American eagle. Upon the face of the emblem appears also the words "Vocational Agriculture" and the letters "F. F. A."

The owl is symbolic of wisdom and knowledge; the plow is the symbol of labor and tillage of soil; the rising sun is emblematic of progress and the new day that will dawn when all farmers are trained and have learned to cooperate; the cross section of an ear of corn represents common agriculture interests since corn is native to America and grown in every state; and the eagle is indicative of the national scope of the graduation.

WHAT IT IS AND WHAT IT DOES

The Future Farmers of America of "F. F. A." as it is commonly known, is the national organization of, by and for boys studying vocational agriculture in public secondary schools under the provisions of the National Vocational Agriculture Acts. Organized in November of 1928, it has served to motivate and vitalize the systematic instruction offered to students of vocational agriculture and to provide further training in farmer citizenship.

AIM AND PURPOSES

1. To develop competent, aggressive, rural and agriculture leadership.
2. To create and nurture a love of country life.
3. To strengthen the confidence of farm boys. All young men like to believe in themselves and their work.
4. To create more interest in the intelligent choice of farming occupation.
5. To encourage members in the development of individual farming program and establishment in farming.
6. To encourage members to improve the farm home and its surroundings.
7. To participate in worthy undertakings for the improvement of agriculture.
8. To develop character training for useful citizenship, and foster patriotism.
9. To participate in cooperative effort.
10. To encourage improvement in scholarship.
11. To encourage practice and thrift.
12. To provide and encourage the development of organized rural recreational activities.

F. F. A. COLORS AND MOTTO

Perhaps no more appropriate colors for a live "up and coming" organization could have been selected than national blue and corn gold. Rich and cheerful, these colors appear in all equipment and paraphernalia used.

The motto consists of four lines. They are as follows:

Learning to do
Doing to learn
Earning to live
Living to serve.

F. F. A. OFFICERS

The officers for the year were: President, Bob Rhoades; Vice-President, Elwood Williams; Secretary, Karl Borton; Treasurer, Linden Robinson; Reporter, Wendell Foster; Watchdog; Edwin Norfleet; Advisor, Mr. Harper.

FUTURE HOMEMAKERS OF AMERICA

This has been the first year for us to have a Future Homemakers of America Chapter in our school. The purposes of this organization are: to promote a growing appreciation of the joy and satisfaction in homemaking; to emphasize the importance of worthy home membership; to encourage democracy in home and community life; to work for a good home and family life for all; to promote international good will; to foster the development of creative leadership in homes and communities; to provide wholesome recreation; and to further interest in home economics.

Those eligible for this club are pupils studying homemaking in Junior or Senior high schools. There are two types of membership; they are active and honorary. Active membership is held by any pupil enrolled in the chapter. Honorary memberships consist of three types: in local chapters; in state organizations; and in the national organizations. These must have helped to advance the homemaking program or have rendered outstanding service. One honorary membership is limited to each chapter. The number of active members in our chapter is 20.

The emblem of The Future Homemakers of America is an octagon which has the name Future Homemakers of America across the top. Around the lower sides is the motto, "Toward New Horizons". In the center there is a house supported by two hands, symbolizing that the future homes of America are in the hands of its youth.

Mrs. Jean Simer is our chapter advisor and our chapter mother is Mrs. Olan Wine. The officers are: Evelyn Wine, President; Loveta Jasper, Vice-President; Joanne Johnson, Secretary; and Joanne Furtney, Treasurer. Shirley Trigg was chosen to keep the FHA scrapbook.

Mrs. Simer, Evelyn Wine, and Loveta Jasper attended a district meeting in Monticello in the fall where the chapters were told what was expected of them.

Our chapter had a cookie sale in February and made about fifteen dollars profit. With it we plan to have a party for the FFA boys.

THE HISTORY OF THE UNITED STATES

The history of the United States is a story of growth and change. It begins with the first settlers who came to the Americas in search of a new life. They found a land of opportunity, but also one of challenge. The early years were marked by conflict and struggle, but the spirit of the American people was one of resilience and determination. They fought for their rights and their freedom, and in the end, they won. The United States emerged as a nation of great power and influence, and its story continues to unfold today.

The story of the United States is a story of many different people and cultures. It is a story of the pioneers who crossed the great plains and the mountains in search of a better life. It is a story of the immigrants who came from all over the world to build a new life in America. It is a story of the people who fought for the rights of all, and who built a nation that is still a source of pride and inspiration for many people around the world.

The United States has a rich and diverse history, and it is a country that has made many contributions to the world. From the first settlers to the present day, the United States has been a land of opportunity and growth. It has been a land where people have fought for their rights and their freedom, and where they have built a nation that is still a source of pride and inspiration for many people around the world.

D. A. R. AWARD

Each year the D. A. R. gives an award to one senior girl. This girl, picked by the senior class and the faculty, is chosen on the basis of patriotism, leadership, dependability, and service. The senior class first picks three girls. The girls picked this year were Loveta Jasper, Joanne Furtney, and Kathleen Meyer. Then the faculty makes a final choice from these three girls. The award this year went to Joanne Furtney. Joanne rates very highly in all these traits. She is editor of the school paper, an honor student, student council member, cheerleader, takes part in band, orchestra, and chorus, and is a member of the annual staff.

BASEBALL

The Warriors enjoyed a very successful fall baseball season by winning eight games and losing one. The lone loss was to Argenta by a 3-2 score. DeLand fielded a veteran team this year as only two men (Clyde Foster and Bob Grant) were lost by graduation. These two boys were missed but some of the younger boys stepped in and did a very good job of filling in.

Wendell Foster was the only returning pitcher but Karl Borton, a Senior, had been working out during the summer and was ready to step in and take his turn on the mound. Bob Kallembach also did some of the hurling and, with a little more experience, will be ready to do his share of the hurling. The pitching records of the three boys were as follows:

	<u>Won</u>	<u>Lost</u>	<u>Pct.</u>
Wendell Foster	5	0	1.000
Bob Kallembach	1	0	1.000
Karl Borton	2	1	.667

The team batted .281 for the season, making 74 hits in 263 trips to the plate. Leading hitter for the Warriors was Wendell Foster with an even .400 average. The rest of the squad hit as follows:

	<u>AB</u>	<u>R</u>	<u>H</u>	<u>AVE.</u>
Rex Kallembach	2	1	1	.500
Wendell Foster	30	12	12	.400

The scores of the games during the fall season were as follows:

DeLand	3	Bellflower	2
DeLand	4	Wapella	2
DeLand	2	Argenta	3

The spring schedule has not been drawn up as yet but the Warriors will again compete in the Piatt County Conference with Monticello, Hammond, Cerro Gordo, Bement, and Mansfield.

BASKETBALL

When the first call was issued for basketball candidates around the middle of October, 24 boys reported. The different classes were represented as follows:

<u>SENIORS</u>	<u>JUNIORS</u>	<u>SOPHOMORES</u>	<u>FRESHMAN</u>
Olan Floyd (Capt.)	Wendell Foster	Robt. Kallembach	Max Parrish
Edwin Norfleet	William Golden	Eudean Norfleet	Rex Kallembach
Karl Borton	Charles Thompson	Richard Loney	Robt. Taylor
Linden Robinson	Lynn Cozad	Marion Rudisill	John Green
Lenville Keeney		Jerry Harris	John Sparks
Marlon White		Gene Buchanan	Earl Francisco
		Robt. Rhodes	
		Carl Sheppard	

The opening game of the season was with Argenta, the game being played on the local floor. The Warriors led all the way and emerged with a 45-37 victory. Ed Norfleet, Bob Kallembach, and Wendell Foster all figured heavily in the scoring, while Olan Floyd, Karl Borton, and Bill Golden all played steady defensive games and helped with the rebounding at both ends of the floor.

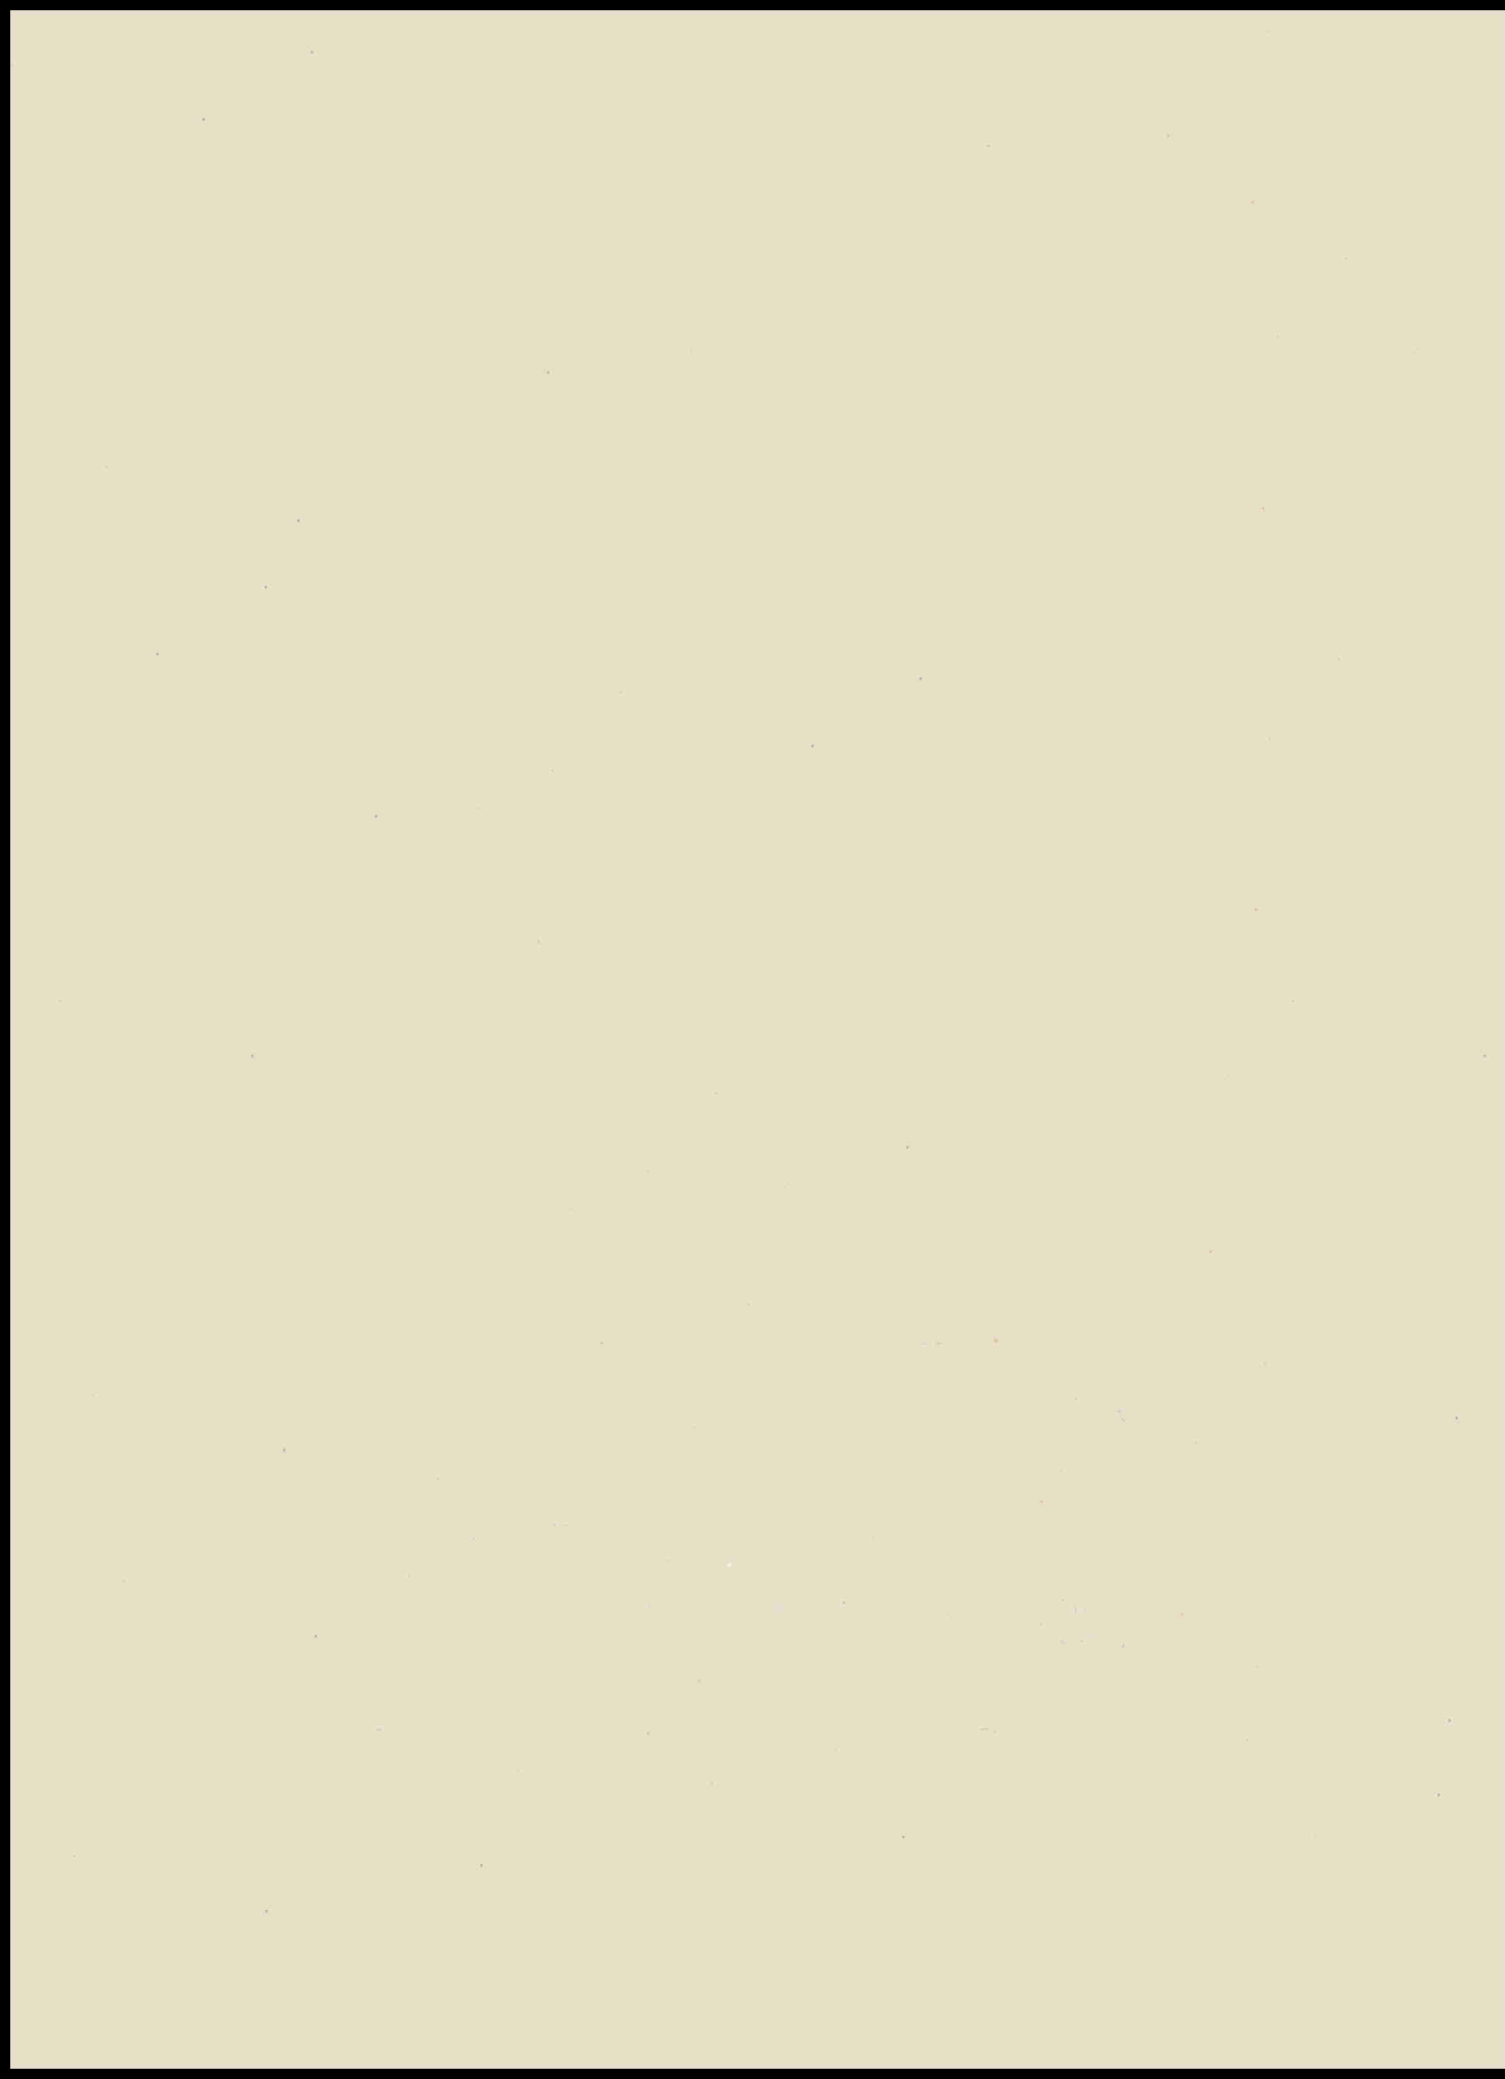

The next three games, against Wapella, Hammond, and Weldon, all resulted in victories for the Orange and Black. Then came Fisher and a 32-21 set-back on the DeLand floor. After this defeat the Warriors built up another string of six straight victories over Mansfield, Farmer City, Monticello, Mahomet, Weldon, and Mahomet again, before bowing to the same Fisher team for the second time in the finals of the Sangamon Valley Tournament at Fisher. The score this time was 42-39. The Warriors led midway in the fourth quarter but could not hold the advantage.

On the Monday following the S. V. C. tournament the Warriors lost their second game in succession at Tolono by the score of 47-44. This proved to be the longest losing streak of the season (2 games).

The next winning streak amounted to nine games and included the Piatt County championship for the third consecutive year. The teams defeated during this period were Bellflower, Cerro Gordo, Monticello, Atwood, Mansfield, Maroa, Wapella, Weldon, and Mahomet. This streak was again ended by Fisher. The score this time was 46-42.

After this third Fisher defeat the Orange and Black won seven games in a row over Farmer City, Tolono, Bellflower, Kenney, Wapella, Heyworth, and Leroy before bowing to Bloomington 51-45 in the semi-finals of the Regional Tournament at Clinton.

The 47-48 team accumulated a record of 26 wins and 5 losses which was the second best record that any DeLand team has ever made. It was surpassed only by the 31-2 record of that great team of 45-46.

BASKETBALL

Leading scorer for the team for the second straight year was Ed. Norfleet who scored a total of 550 points in the 31 games for an average of 17.7 points per game. Second to him in scoring was Wendell Foster with 338 points. The team scoring was divided as follows:

Ed. Norfleet	550 points	Eudean Norfleet	25 points
Wendell Foster	338 points	Marlon White	10 points
Olan Floyd	168 points	Linden Robinson	8 points
Karl Borton	168 points	Lenville Keeney	7 points
Bob Kallembach	158 points	Charles Thompson	5 points
Bill Golden	69 points		

The leading free thrower for the current season was Wendell Foster with an average of .583. He was closely followed by Lenville Keeney who had an average of .579. Wendell made ten straight free throws in the last game of the season against Bloomington to nose out Lenville by percentage points.

Free throw averages:

Wendell Foster	.583	Eudean Norfleet	.379
Lenville Keeney	.579	Bob Kallembach	.367
Charles Thompson	.491	Marlon White	.333
Bill Golden	.488	Marion Rudisill	.250
Karl Borton	.477	Gene Buchanan	.211
Ed. Norfleet	.458	Jerry Harris	.125
Dick Loney	.444	Bob Taylor	.000
Olan Floyd	.431	Earl Francisco	.000
Linden Robinson	.429	Rex Kallembach	.000
Max Parrish	.421	Team Average	.445

The team was captained this year by Olan Floyd who handled the team very well. Although Olan did not score too heavily, he handled a majority of the defensive rebounds and, along with Wendell Foster, brought the ball down the court on offense. Ed. Norfleet again handled most of the offensive rebounds and was aided again by Wendell Foster, Karl Borton, and Bill Golden. Bobby Kallembach was the fastest man on the squad and was usually on the front end of the fast breaks.

The squad will be hurt very much this year through graduation as all six of the graduating seniors have been actively engaged in all sports during their entire four years of high school. During the four years that Olan, Ed., Karl, Linden, Marlon, and Lenville have attended D. T. H. S. the Warriors have amassed a total of 103 basketball victories while losing only 18 games. The baseball teams have won 48 games and lost 12. The reserve basketball squad has also been very successful and during the past year had a record of 16 victories in 20 games.

S. V. C. TOURNAMENT

In the first game of the S. V. T. Deland won easily over Weldon by a score of 56 to 36. Ed Norfleet was high for the DeLand Warriors with nine baskets and three free throws. Bob Kallembach followed Norfleet with five baskets. Sailor was high for Weldon with four baskets and four free throws.

DeLand came back the second night to defeat Mahomet by a score of 48 to 30. Ed Norfleet was again high man with 18 points. Second high was Wendell Foster with 13 points. For Mahomet Hillman was high with 12 counters.

In the most exciting game of the entire tournament Fisher beat DeLand by a score of 42 to 39. The second quarter proved to be the reason for the defeat when not a single point was scored by DeLand. Ed Norfleet was high for DeLand with 12 points. Second high was Wendell Foster with 10 points.

PIATT COUNTY TOURNAMENT

DeLand won their first game of the Piatt County Tournament from Cerro Gordo by a score of 51 to 28. High for DeLand was Ed Norfleet with 17 points and second high was Wendell Foster with 11 points. High for Cerro Gordo was Wright with 9 points.

In the second game DeLand defeated Monticello by a score of 43 to 33. Monticello hated to lose this game but they didn't have enough to overcome the Deland Warriors. High for DeLand was Foster with 12 points and second high was Norfleet with 10 points.

In the final game DeLand defeated Atwood by a score of 38 to 18 to win the Piatt County Tournament. DeLand has won this tournament three consecutive years. The high point man for DeLand was Ed Norfleet with 11 points. Second high was Karl Borton with 8 points. Waters of Atwood tried vainly to keep his team in the ball game by scoring 13 of their 18 points.
